

Privacy Policy

NANO4LIFE EUROPE® ("Nano4Life", or "we", or "us") is committed to respecting your online privacy and recognize your need for appropriate protection and management of any personally identifiable information ("Personal Information") you share with us.

We established this Privacy Statement so that you can understand the care with which we intend to treat your Personal Information.

Personal Information means any information that may be used to identify an individual, including, but not limited to, a first and last name, a home or other physical address or an email address or other contact information, whether at work or at home. In general, you can visit our webpages without telling us who you are or revealing any Personal Information about yourself.

In some circumstances, such as a contest or promotion, we may expressly request your consent to the collection, use or disclosure of your personal. By providing your personal information, we assume, unless indicated otherwise, that you consent to the collection, use and disclosure of this information for the purposes described in contest rules or in this policy.

We may collect your personal information for the following purposes:

- To receive further communications and customer service from **NANO4LIFE EUROPE®**.
- To communicate with you for the purpose of marketing, including telemarketing, the products and services of **NANO4LIFE EUROPE®**.

If you choose to provide us with your Personal Information on the Web, we may transfer that Information within our organization or approved third-party service providers, across borders, and from your country or jurisdiction to other countries or jurisdictions around the world.

We strive to comply with all applicable laws around the globe that are designed to protect your privacy. Although legal requirements may vary from country to country, we intend to adhere to the principles set forth in this Privacy Statement even if, in connection with the above, we transfer your Personal Information from your country to countries that may not require an "adequate" level of protection for your Personal Information. In other words, our goal is to provide protection for your Personal Information no matter where that Personal Information is collected, transferred, or retained.

Cookies and Other Tracking Technologies:

Some of our webpages utilize "cookies" and other tracking technologies. A "cookie" is a small text file that may be used, for example, to collect information about Web site activity. Some cookies and other technologies may serve to recall Personal Information previously indicated by a Web user. Most browsers allow you to control cookies, including whether or not to accept them and how to remove them.:

You may set most browsers to notify you if you receive a cookie, or you may choose to

block cookies with your browser, but please note that if you choose to erase or block your cookies, you will need to re-enter your original user ID and password to gain access to certain parts of the Web site. :

Tracking technologies may record information such as Internet domain and host names; Internet protocol (IP) addresses; browser software and operating system types; clickstream patterns; and dates and times that our site is accessed. Our use of cookies and other tracking technologies allows us to improve our website and your web experience. We may also analyze information that does not contain Personal Information for trends and statistics.

To protect your privacy, we have adopted the following principles:

Notice: Where we collect Personal Information on the web, we intend to post a purpose statement that explains why Personal Information will be collected and whether we plan to share such Personal Information outside of our organization or those working on our behalf. We do not intend to transfer Personal Information without your consent to third parties who are not bound to act on our behalf unless such transfer is legally required.

Choice: You may choose whether or not to provide Personal Information to us. The notice we intend to provide where we collect Personal Information on the Web should help you to make this choice. If you choose not to provide the Personal Information we request, you can still visit most of our Web sites, but you may be unable to access certain options, offers, or obtain any services provided by us that involves our interaction with you.

If you chose to have a relationship with us, such as a contractual or other business relationship or partnership, we will naturally continue to contact you in connection with that business relationship.

Security: We do our utmost to protect and safeguard your personal information using physical, electronic and procedural measures appropriate to the sensitivity of the information, including safeguards to protect your information against loss and theft, as well as unauthorized access, disclosure, copying, use, or modification.

Access/Accuracy: To the extent that you do provide us with Personal Information, we wish to maintain accurate Personal Information. Where we collect Personal Information from you on the Web, our goal is to provide a means of contacting us should you need to update or correct that Information.

Third Party Services: Third parties provide certain services available on www.Nano4Life.co on our behalf. We may provide information, including Personal Information that we collect on the Web, to third-party service providers to help us deliver programs, products, information, and services. Service providers are also an important means by which we maintain our website and mailing lists. We will take reasonable steps to ensure that these third-party service providers are obligated to protect Personal Information on our behalf.

We do not intend to transfer Personal Information without your consent to third parties who are not bound to act on our behalf unless such transfer is legally required. Similarly,

it is against our policy to sell Personal Information collected online without consent.

Children's Privacy: Our website is not structured to attract children. Accordingly, we do not intend to collect Personal Information from anyone we know to be under 13 years of age.

Commitment: We are committed to privacy and support current industry initiatives to preserve individual privacy rights on the Internet. Protecting your privacy online is an evolving area, and our websites are constantly evolving to meet these demands.

If you have any comments or questions regarding our Privacy Statement, please contact us and we will address any issue to the best of our abilities as soon as possible.

Your Consent: By using this website, you consent to the terms of our Privacy Statement and to our processing of Personal Information for the purposes given above. Should the Privacy Statement change, we intend to take every reasonable step to ensure that these changes are brought to your attention by posting all changes prominently on our website for a reasonable period of time.

By accessing or using the website, you acknowledge that you have read, understood and agree to be bound by the following Terms of Use and Privacy Policy.
